Dear Sir

A citizen of this town Mr Henry Wrinshimer wishes to go to Europe & desires to have Passports. He had Passports in 1865 which I enclose & which will give his description & state that his age is now 42 years.

I presume this passport is now insufficient.

What is now necessary for him to get a new one? as he does not wish to go to Washington

The subscriber most respectfully  
requests the department to renew  
the passport No. 13524 obtained  
in the year 1859 month May 12<sup>th</sup>.  
It appears by recent measures taken  
in regard to naturalized citizens in  
the German Empire, that a new pass  
is required. Should this not be  
necessary I would petition the resp.  
department for a speedy reply anyway  
as family business of the highest  
importance and interest requires my  
earliest possible presence there.

Hoping that my request will be  
granted, I have the honor to remain

most respectfully
